And Fumigated Frequently, the for the past six years. Doctors Claim.

At the 122nd quarterly meeting of the Northeastern Ohio Medical Asso "cintion held in the Mayor's court room of the City Building, today, some important resolutions in regard to paper money were passed. These resolutions recommended that banking instikeep in circulation new, clean paper money and to do away with such paper money as has become worn and offensive, as this is a most apt vehicle for the spread of infectious diseases, These resolutions also recommended that banks fumigate paper money as often as possible.

Among the interesting cases reported by the physicians was that of a frac ture of the skull which had some very peculiar features and was reported by Dr. A. F. Sippy, of Akron, whose patient was also present.

A lecture on "Paralysis, Accompany ing and Following Typhold Fever and Pneumonia, ' by Dr. Charles J. Aldrich, of Cleveland; an essay on Postoperative Appendicitis," by Dr. B. O. Coats, of Clevelano, and the general discussion, "Can Tuberculosis be Lim-Ited in its Prévalence?" led by Dr. J. F. Marchand, of Canton, were the principal features of the program.

The Northeastern Medical Association was organized in 1879, and of the charter members six are still living: Drs. M. Sherman, of Kent; E. K. Nash, of Montrose; B. Chapman, of Copley; L. S. Ebright, A. E. Foltz, and W. C. Jacobs, of Akron.

# Alling Tuesday.

A deed showing that the Pittsburg & Western railroad has been taken over by bond-holders was filed with Recorder Alling, Tuesday. It is made by Wm. R. Blair, special master commissioner of the property, to Oscar G. Murray and George L. Potter. The amount of the mortgages is \$3,000,-000, and the consideration mentioned in the transfer is one dollar. The deed does not convey the real estate, but gives Messrs, Murray and Potter all the lease-holds, rights of way and plans. It has been necessary to file these deeds in all counties in Pennsylvania and Ohio through which the
